6. BODY OF NOTICE TEXT:

The Commercial Salmon Advisory Board (CSAB) Salmon Area Harvest Committee Representative Nominations are now underway. In order to be eligible to stand for election to the Area Harvest Committee, all nominations must be received by 1600 on October 5th, 2012.

Nominations forms are available from the Internet at:

<http://www.pac.dfo-mpo.gc.ca/consultation/fisheries-peche/smon/csab-ccpcs/nomform2011-eng.htm>

or you may contact the Salmon Officer via email at Cynthia.johnston@dfo-mpo.gc.ca or by phone at 604-666-4902.

A nomination may be made by the following:

- The contact owner for a vessel that permanently holds category A salmon licence eligibility/ies
- The licence eligibility holder for a category F or N salmon licence.

The nominator is deemed the "eligible voter" for the purposes of this process. One nomination may be made for each salmon licence eligibility.

Each salmon area harvest committee representative nomination allows you to nominate ONE individual to represent you on the committee. The nominee does not have to be a salmon vessel owner/ licence eligibility holder.

Please refer to the Nomination Form for any additional information at the above link.

Once the nominations have been recorded, a confirmation of receipt will be e-mailed to the e-mail addresses listed on the nomination forms. The names of individuals who have been nominated as Salmon Area Harvest Committee representatives will be announced via Fisheries Notice on a weekly basis. Once the nomination deadline is completed, a list of nominees and election forms will be mailed to eligible voters in each area.

Proposed Timeline for the Election Process:

- 1) Eligible voters are asked to complete and submit nomination forms to elect their Salmon Area Harvest Committee representatives by October 5, 2012. An email will be sent in confirmation of receipt of the nomination.
- 2) Fishery Notice updates will be sent on a weekly basis on the nominations received to date.
- 3) A final Fishery Notice will be released with the final list of nominations on October 9, 2012.
- 4) Election ballots will be mailed out to licence holders and an announcement will be made via Fisheries Notice by October 15, 2012.
- 5) The deadline for submission of election ballots will be November 15, 2012.
- 6) It is anticipated that the release of election results will be by December 7, 2012.

Updates will be announced via Fisheries Notice. You may sign up to receive Fisheries Notices by email at
